January 1, 2012 – Brought in a very quiet New Year's.....with a sip of Champaign as I was down with the flu! Feeling much better now and am ready to start 2012.

January 11 – 13, 2012 – Attended a Newly Elected Workshop in Vancouver for populations under 10,000. There were over 150 participants from all over the province attending. Mainly newly elected but others as well and several Mayors. The Honorable Ida Chong also attended on the last day and gave us some accolades for stepping up as well as big congratulations for being successful. The days were very busy with a 7:00 a.m. start time and not finishing up until well after 9:00 p.m. The subjects were very timely as items discussed were Conflict of Interest, Public Hearings, etc,
