

**Councillor Leslie Johnson's Report:      April 6, 2009**

The last council meeting I attended was March 2<sup>nd</sup>  
I was away from March 10 - 25. Before leaving I attended an in-camera meeting on March 4, the brown bag lunch on March 6 (where tourism, logging, drinking water, addictions and mental illness and other topics were discussed) and a Committee of the Whole meeting on March 9. Since my return, I've attended a Committee of the Whole Special Meeting on March 30 and the brown bag lunch on April 3 (which was quite well attended with a wide ranging discussion of spirit square, roads, sewage and other topics). And on Saturday, April 4<sup>th</sup> I attended the Grand Opening of the Port Clements Multi-purpose building along with Mayor Kulesha, Councillors Noddin and Martin.

I've also been reading the draft Official Community Plan, which will be going to the public soon. I want to commend the volunteers on the Advisory Planning Commission for all the work they have done over the past two years to produce this draft for our consideration and public comment. Thank you.
