

**Councillor Leslie Johnson's Report:      May 19, 2009**

I attended the meeting on May 11<sup>th</sup> with the Advisory Planning Commission to discuss the DRAFT Official Community Plan and the public process for reviewing the document.

I attended the in-camera Special Meeting on May 13<sup>th</sup>.

I was invited to two separate meetings (one with the ambulance service and one with Alterna Energy) but both were on short notice and I wasn't able to attend.

I attended the pole raising at the Northern Haida Gwaii Hospital and Health Centre yesterday. Old Massett commissioned the Medicine Story Pole as a gift to Masset, Port Clements and Northern Health to honour the partnership and cooperation that led to the building of the new facility. It was wonderful to see the facility and the pole raising. Plus, the sun shone.
