

Greg Martin's report to the VQC council meeting of March 16, 2009.

- 1) I participated in the VQC budget meeting of March 4;
- 2) I attended the VQC "brown bag lunch" held Friday, March 6, to hear concerns of citizens ranging from water systems to logging in watersheds to tourism, and ending on hoboies and steam engines;
- 3) I participated in the March 9 Committee of the Whole (COW) VQC meeting.

A handwritten signature in black ink, appearing to read "G. Martin", with a long horizontal line extending to the right from the end of the name.
