

Report for March 16, 2009  
Councillor Gladys Noddin

Wednesday, March 4/09

I attended an HWAC meeting at noon, here in the village council chambers.  
And then I attended an in camera meeting of the council later that afternoon.

On Monday, March 9/09

We had a CoW at 7:30 p.m. at which I participated.

The rest of that week, I spent out-of-town on vacation time. I did, however, have the pleasure of delivering a special “thank-you” gift to Trevor Jarvis, CAO of Masset, while we were in the area. Mr. Jarvis made it possible for us to put on the fireworks display at the community hall grounds a couple of weeks ago. We are grateful for his assistance.
