

Greg's report to QC Council for April 20, 2009

- 1) I participated in the April 7 Economic Development videoconference hosted by Community Futures. Thanks to our MoF office for letting us use their video conference equipment;
- 2) That evening I attended the meeting of our Honna Watershed Technical Advisory Committee;
- 3) I participated in Council's April 9 Budget meeting;
- 4) I also participated in our Committee of the Whole meeting on April 14;
- 5) I joined Councillors Noddin and Johnson in participating in the 4 hour Emergency Planning Workshop hosted April 17 by the Provincial Emergency Preparedness staff;
- 6) I researched Ocean Industries BC further to their request for a letter of support for their Ocean and Marinspace Gateway Development Program. I also discussed their organization and program with CEO Patrick Marshall.
