File Number: Queen Charlotte RCMP weekly update 2011-10-31

During the week from October 17th to October 30th, 2011, Queen Charlotte RCMP investigated 13 files. Some of these were:

- On October 24th at 0720hrs, RCMP received a complaint of shots fired overnight in the 800blk of Richardson rd. Investigation revealed that a bear was shot by a local resident.
- On October 25th at 1800hrs, RCMP received a complaint of an intoxicated male in the 3300blk of Oceanview. Patrols were made but the male was not located.
- On October 26th at 1600hrs, RCMP responded to a gunshot complaint in the 400blk of Skidegate Heights. The complainant reported a round went through the window of his residence. Investigation revealed a rifle had been stored improperly at a nearby residence. A youth had picked it up and pulled the trigger believing it was unloaded. Police are investigating various weapons related offences. Incidents such as this reinforce the need to practice proper firearms safety and safe handling of weapons.
- On October 28th at 2245hrs, RCMP responded to a complaint of a suicidal male in Tlell. Police attended and a local male was arrested under the mental health act and transported to hospital for treatment.
- On October 29th at 0500hrs, RCMP encountered a vehicle north of Skidegate driving erratically. The vehicle was stopped and the occupants spoken with. The vehicle was found to contain firearms and portable spot lights. Police are continuing an investigation into illegal hunting and illegal possession of firearms.
- On October 30th, Queen Charlotte RCMP received two reports of shoplifting. An adult female was arrested for theft and released to appear in court at a later date.
