

## VILLAGE OF QUEEN CHARLOTTE

### BYLAW NO. 21-2008

#### A BYLAW TO AMEND BYLAW NO. 8-2006, A BYLAW TO ESTABLISH A LOCAL AREA WATER SUPPLY AND DISTRIBUTION SYSTEM SERVICE

**WHEREAS** under section 14.2 of the Village of Queen Charlotte Letters Patent dated June 28, 2005, a local area service was established for water supply and distribution system services, effective December 31, 2005;

**AND WHEREAS** through inadvertence, the service area boundaries for the local service were described as the boundaries of the municipality of the Village of Queen Charlotte instead of the boundaries of the specified area established by Skeena-Queen Charlotte Regional District Bylaw No. 90-1980, as directed by section 14.4 of the Village of Queen Charlotte Letters Patent dated June 28, 2005;

**AND WHEREAS** section 14.4 of the Village of Queen Charlotte Letters Patent dated June 28, 2005 states that sections 211(1)(a), (b) and (c) of the *Community Charter* were not applicable to the adoption of Bylaw No. 8, and section 27(4) of the *Interpretation Act* extends those exemptions to an amending bylaw as section 137 of the *Community Charter* does not apply to a bylaw adopted under the authority of Letters Patent;

**AND WHEREAS** the water supply and distribution system service area has been treated for all purposes as if it were the original specified area and the Council of the Village of Queen Charlotte wishes to amend Bylaw No. 8-2006 to correct the error in the description of the local service area boundaries;

**NOW, THEREFORE**, the Council of the Village of Queen Charlotte in open meeting assembled ENACTS AS FOLLOWS:
