### COUNCIL POLICY

---

**Name of Policy:** Street Lighting

**Reference No:** 3.0

**Date Adopted:** April 21<sup>st</sup>, 2008

---

1. The purpose of the installation of street lights is to ensure the safety and security of residents.
2. Council will review requests for street lights on a case by case basis as the time they are presented.
3. Subject to budget considerations the council will assess the request upon the following priorities;
  - a. Public locations where a demonstrated safety or security hazard exists;
  - b. Intersections along the arterial highway;
  - c. Intersections along collector roads
4. In considering requests council will consider energy conservation and the reduction of light noise.
5. Lights will only be approved for installation on the designated highway right-of-way.
6. Neighbours will be consulted prior to approval, except in the case of Priority a. lighting.
