Re: Official Community Plan DRAFT Document

Dear Resident,

The Advisory Planning Commission (APC) for the Official Community Plan (OCP) for the Village of Queen Charlotte requests your comments and feedback in order to further develop the Official Community Plan.

*"The OCP is a long range, comprehensive, general policy guide for using land, which policy guide is, in turn, used to prepare for future growth in the Village of Queen Charlotte. The intent of an OCP is to guide decisions in relation to policies for residential and commercial development, industrial activity, transportation, infrastructure and environmental considerations."*¹

The OCP also forms the basis for zoning and land use bylaws. This DRAFT document is not finalized and is at the stage of public review and community discussion. The APC will soon be holding three public meetings and it is hoped that there will be a good turnout of interested residents/ community members at those meetings.

Yours sincerely,
